

Hello Eastgate Eagles Community!

What an interesting time we are living in! On behalf of the new PTA Board, I wanted to send you a quick note of introduction and let you know that we are here for you. Obviously this is not what any of us had in mind for 2020, but as a board, we are excited to find new and inventive ways for us to stay connected and have some fun as we begin the school year.

Our #1 goal right now is just that- **staying connected**. We are already in the process of generating some fun ways for us to keep in touch during the school year. So, clean off those cell phone cameras and get ready to record those talents, dance moves, singing voices, and athletic performances to send us when the time is right.

In closing I want to say that I could not be more honored to serve as the PTA President for our incredible community as we embark on this new journey.

From my heart to yours, lets do this!
