WHAT IS THE PTA?

The Parent-Teacher Association (PTA) is a private, not-for-profit organization of parents/guardians, teachers and community members focused on bettering the lives of our children by supporting programs that encourage their academic success and social well-being.

When you join the Eastgate PTA, you become a member of our local, state, and national associations.

While members are not required to attend meetings or volunteer, PTA membership allows you the ability to vote on critical PTA business such as adopting the year's budget, bylaws, and electing future officers.

Together we can make a difference!!!
