

# Pacific Northwest Ballet 4<sup>th</sup> Grade Residency

PNB opens their stage to our school and several others for special performances. Grades participating from the collection of schools range from 3rd grade through 8th grade. The Eastgate PTA offers this program to our 4th grade students each year. Each school selects a specific theme for their performance and has many practices with the PNB choreographer prior to the big event. This residency creates a unique opportunity to foster the performance arts and creative abilities of all our students. It's amazing!
